Factor Label	Src System ID	Factor Description
New Spring Enrollment	enrolledspring_1_new	Student is enrolled in Spring coursework and has not attempted credit at the institution previously
Enrollment Grouping	enrollgroup_1_fulltime_degree_seeking	Student is a full time degree seeking student
	enrollgroup_2_parttime_degree_seeking	Student is a part time degree seeking student
	enrollgroup_3_fulltime_nondegree_seeking	Student is a full time non-degree seeking student
	enrollgroup_4_parttime_nondegree_seeking	Student is a part time non-degree seeking student
Program Risk	programpath_1_high_risk	Student is registered in a program with higher potential risk
	programpath_2_low_risk	Student is registered in a program with lower potential risk
	programpath_3_moderate_risk	Student is registered in a program with moderate potential risk
Multiple Program Enrollment	programenrollment_1_multiple	Student is currently enrolled in multiple programs of study
Program Enrollment Undecided	undecided_1_yes	Student is undecided in their academic path
	undecided_2_no	Student is decided in their academic path
Registration Time to Term	registrationttt_1_later	Student registered later in the registration period
	registrationttt_2_earlier	Student registered earlier in the registration period
Age	age_1_younger	Students age is younger relative to other peers
	age_2_average	Students age is average relative to other peers
	age_3_older	Students age is older relative to other peers
Gender / Race	genderrace_1_minority_female	Student identifies as a minority female
	genderrace_2_minority_male	Student identifies as a minority male
	genderrace_3_white_female	Student identifies as a caucasian female
	genderrace_4_white_male	Student identifies as a caucasian male
Dependents at Home	dependentshome_1_yes	Student has dependents other than a spouse at home
Marital Status	maritalstatus_1_dependent_parents_married	Student is a dependent with parents having a marital status of Married
	maritalstatus_2_dependent_parents_not_married	Student is a dependent with parents having a marital status of single, seperated, divorced, or widowed
	maritalstatus_3_independent_married	Student is an independent with a marital status of Married
	maritalstatus_4_independent_not_married	Student is an independent with a marital status of single, seperated, divorced, or widowed
Transfer Status	istransferstudent_1_yes	Student has accumulated college level credit prior to enrollment.
Transfer Credit	transfercredit_1_none	Student has not accumulated college level credit prior to enrollment.
	transfercredit_2_lower	Student has accumulated lower amount of college level credit prior to enrollment.
	transfercredit_3_higher	Student has accumulated higher amount of college level credit prior to enrollment.
Transfer Credit Years	transferyearcnt_1_single	Student has accumulated college level credit during a single year prior to enrollment.
	transferyearcnt_2_multiple	Student has accumulated college level credit across multiple years prior to enrollment.
Fafsa Submission	fafsasubmit_1_never	Student has never filed the FAFSA
	fafsasubmit_2_not_current	Student has filed a FAFSA previously but not for the current academic year
	fafsasubmit_3_current	Student has filed the FAFSA for the current academic year
Expected Family Contribution	efc_1_lower	Student has a lower efc relative to peers
	efc_2_higher	Student has a higher efc relative to peers
Withdrawal History	haswithdraw_1_yes	Student has withdrawn from courses
Withdrawal History (Math)	haswithdrawmath_1_yes	Student has withdrawn from math courses
Withdrawal History (Remedial)	haswithdrawremedial_1_yes	Student has withdrawn from remedial courses
Prior Coursework	priorsessions_1_zero	Student has no prior attempted coursework
	priorsessions_2_one	Student has prior attempted coursework during 1 academic term
	priorsessions_3_two	Student has prior attempted coursework during 2 academic terms

Factor Label	Src System ID	Factor Description
	priorsessions_4_three_plus	Student has prior attempted coursework during 3 or more academic terms
Prior Summer Coursework	previoussummer_1_yes	Student has previously attempted summer coursework
Prior Term Attempted Credit	attemptedcredit_1_lower	Student has a lower number of attempted credit hours relative to peers
	attemptedcredit_2_moderate	Student has a moderate number of attempted credit hours relative to peers
	attemptedcredit_3_high	Student has a higher number of attempted credit hours relative to peers
Prior 'F' Letter Grade	previousfgrade_1_yes	Student has previously received an F letter grade
	previousfgrade_2_no_df_grade	Student has not previously received a D or F letter grade
Prior 'A' Letter Grade	previousagrade_1_yes	Student has previously received an A letter grade
	previousagrade_2_no	Student has not previously received an A letter grade
Cumulative Credit Completion Rate	cumulccr_1_no_coursework	Student has yet to accumulate completed coursework.
	cumulccr_2_lower	Student has a low credit completion ratio in relationship to their peers.
	cumulccr_3_moderate	Student has a moderate credit completion ratio in relationship to their peers.
	cumulccr_4_higher	Student has a high credit completion ratio in relationship to their peers.
Cumulative GPA	cumulgpa_1_lower	Student has a low cumulative gpa in relationship to their peers.
	cumulgpa_2_moderate	Student has a moderate cumulative gpa in relationship to their peers.
	cumulgpa_3_higher	Student has a high cumulative gpa in relationship to their peers.
Cumulative GPA (Math)	cumulmathgpa_1_lower	Student has a low cumulative math gpa in relationship to their peers.
	cumulmathgpa_2_moderate	Student has a moderate cumulative math gpa in relationship to their peers.
	cumulmathgpa_3_higher	Student has a high cumulative math gpa in relationship to their peers.
Cumulative GPA (English)	cumulenglishgpa_1_lower	Student has a low cumulative English gpa in relationship to their peers.
	cumulenglishgpa_2_moderate	Student has a moderate cumulative English gpa in relationship to their peers.
	cumulenglishgpa_3_higher	Student has a high cumulative English gpa in relationship to their peers.
Prior Term SAP Flag	sapflag_1_yes	Student has previously attempted credit in a session where they completed less than 67% of their attempted credit
	sapflag_2_no	Student has completed more than 67% of their attempted credit in each of their previous academic sessions.
Cumulative SAP Flag	cumulsapflag_1_previous	Student cumulative credit completion rate has previously fallen below 67%
	cumulsapflag_2_current	Student cumulative credit completion rate is currently below 67%
	cumulsapflag_3_never	Student cumulative credit completion rate has never fallen below 67%
Current Session Course Load	courseload_1_lower	Student has a lower course load relative to peers
	courseload_2_moderate	Student has a moderate course load relative to peers
	courseload_3_higher	Student has a higher course load relative to peers
Course Modality	coursemodality_1_online	Course is delivered to the student online
	coursemodality_2_seated	Course is delivered to the student inside a seated classroom
Math Course	iscoursemath_1_yes	Course being attempted is a Math Course
Course Level	courselevel_1_000	000 Level (Remedial)
	courselevel_2_100	100 Level (Introductory Level)
	courselevel_3_200	200 Level (Intermediate Level)
	courselevel_4_300_400	300 & 400 (Advanced Undergraduate)
	courselevel_5_500_plus	Graduate / Otherwise
Prior Course Outcome	previouslytaken_1_withdrew	Student has previously withdrawn from this course
	previouslytaken_2_nopass	Student has previously received a non passing grade in this course
Attendance Alert	recievedattendancealert_1_yes	Student has received an attendance alert for the course
