Launch in New Window

Icon Upload a custom icon that will be shown in the course. The size of the icon should be 50 by 50 pixels.

Click Submit to proceed.

Within your Course Evaluation & Surveys instance, navigate to **Account > Integrations > LTI**

- Copy the **URL**. Insert the value into Blackboard as **Tool Provider URL**.
- Copy the **Consumer Key** and **Shared Secret**. Insert those values into Blackboard as the **Tool Provider Key** and **Tool Provider Secret**.
- Insert **lis_person_sourcedid=@X@user.id@X@** as the **Tool Provider Custom Parameter**.

The screenshot shows the 'Administrator Tools' interface. At the top, there is an 'Icon' section with a 'Browse' button and a note: 'Upload a custom icon that will be shown in the course. The size of the icon should be 50 by 50 pixels.' Below this is the 'TOOL PROVIDER INFORMATION' section. A note reads: 'Enter the Tool Provider Information. The Tool Provider URL must be located on one of the configured host names.' There are three input fields: 'Tool Provider URL' (containing 'https://tamarau.evaluationkit.com/'), 'Tool Provider Key', and 'Tool Provider Secret'. Below these is a larger text area for 'Tool Provider Custom Parameters'. A note at the bottom of this area says: 'Enter any custom parameters required by the tool provider. Parameters must each be on their own line and be entered in "name=value" format.' At the bottom right of the form are 'Cancel' and 'Submit' buttons. A 'Close Administrator Panel' link is in the top right corner.

Click **Submit**.

Course Evaluation & Surveys Integration Setup in Course Evaluation & Surveys

Log in to your Course Evaluation & Surveys Account as the Course Evaluation & Surveys Administrator.

Go to **Account > Integrations (section) > LTI** to configure the Username Parameter.

Change the **Username Parameter Name** to **custom_lis_person_sourcedid**.

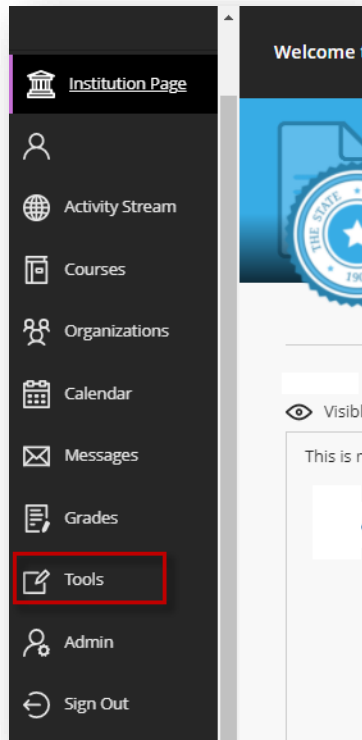

The screenshot shows the 'LTI (Learning Tools Interoperability)' settings page in the EvaluationKIT interface. The page has a dark purple header with navigation links: Home, Surveys, Projects, Results, and Account. The user is logged in as 'EvaluationKIT Administrator' with an 'Internal Admin' role. The breadcrumb trail is 'Site Settings / Integration Settings / LTI (Learning Tools Interoperability)'. The main heading is 'LTI (Learning Tools Interoperability)'. Below this is a 'Connection Settings' section with several input fields: 'Consumer Key', 'Shared Secret', 'URL' (containing 'https://tamarau.evaluationkit.com/MyEval/LoginLti.aspx'), and 'Version' (containing '1.0'). The 'Username Parameter Name' field is highlighted with a red box and contains the value 'lis_person_sourcedid'. A 'Save' button is located at the bottom left of the form. The footer contains copyright information and links to 'Terms & Conditions', 'Privacy Policy', and 'Accessibility Policy'.

Click **Save**.
